Vehicle Management System using salesforce

1.Fuel costs
2.Driver shortages
3.Rising vehicle maintenance costs
4.Managing a team travelling across the country.

## Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

Regularly check driver reports

Fluctution in diesel cost can have a major influence on vehicle management

Take some research for the price of the vehicle based on the condition, service and mileage

## Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
